## Golfweek's Best 2023: Top 200 resort courses in the U.S.

*By Jason Lusk*

Welcome to Golfweek's Best 2023 list of top resort golf courses in the United States.

The hundreds of members of our course-ratings panel continually evaluate courses and rate them based on our 10 criteria. They also file a single, overall rating on each course. Those overall ratings on each course are averaged to produce a final, cumulative rating. Then each course is ranked against other courses in the region.

This list focuses on the golf courses themselves, not the resorts as a whole or other amenities. Each golf course included is listed with its average rating from 1 to 10, its location, architect(s) and the year it opened.
