Golfweek's Best Courses You Can Play 2023: State-by-state rankings for public-access layouts

By Jason Lusk

Want to play the best public-access golf courses in each state? Keep reading.

Fresh for 2023, we present the Golfweek's Best Courses You Can Play list for the top public-access layouts in each state, as judged by our nationwide network of raters.

KEY: (m) modern, built in 1960 or after; (c) classic, built before 1960. For courses with a number preceding the (m) or (c), that is where the course ranks on Golfweek's Best lists for top 200 modern and classic courses in the U.S.

* indicates new or returning to the rankings

Virginia's top public-access courses
